Google play

It is always better to get  
advice from the ones who  
know you best.

Kevin just moved in his new apartment  
and the shower is flooding. He thinks his  
drain is blocked because it happens  
every time at his father's place...

# What are the things you would most likely ask your parent ?

# Do you think it will be helpful to send instantaneous messages to your parents instead of short calls and for what reasons ?
